

**To My Younger Brethren  
Handley Moule**

Let me explain in this first sentence that when in these pages I address "my Younger Brethren," I mean brethren in the Christian Ministry in the Church of England. Let me limit my reference still further, by premising that very much of what I say will be said as to brethren who have lately taken holy Orders, and are engaged in the work of assistant Curacies. What I here seek to do, with the gracious aid of our blessed Master, is somewhat to extend the range of such talks, and to ask a friendly hearing from younger Brethren in the holy Ministry with whom I have never had the opportunity of speaking personally. I have not the least intention of writing a treatise on the Christian Pastorate. To talk to young Christian Ministers about some important details of pastoral life and work, but above all of life, inward and outward—this is my simple purpose. (From chapter 1)
